

The Camp is situated in the heart of the Staffordshire Moorlands, between Leek and Cheadle. The Camp itself has three buildings, numerous camping areas (large and small), toilet and shower facilities. Much of the site is undeveloped, these areas are a mixture of natural moorland and wooded areas. The boundary adjoins a nature reserve and thus we also have much wildlife on site.

You will need to bring your own bedding and cooking/eating utensils.

Address

Consall Camp
Blakeley Lane
Dilhorne
Stoke on Trent
Staffordshire
