

Everyone will need to bring what you would take camping although not tents as you will be sleeping in buildings. Players are in one building with beds and the monsters have a separate building, which they sleep on the floor.

Please note these are wooden buildings and get cold in winter. If you are using this site in the winter months I suggest bringing plenty of warm clothes and sleeping kit, maybe even a plug in heater. (power sockets are available in both buildings).

Address

Horley Scout Camp Site
Wroxton Road
Horley
Banbury
Oxfordshire
OX15 6AU
